## May Missionary Highlights

The ministry of **Missionary Aviation Repair Center (MARC)** is to expand the Gospel in Alaska by providing air transportation and logistical support for ministries working in remote communities. Many missionaries and pastors in rural Alaska have their own airplanes. MARC also provides maintenance services to keep these essential aircraft operating safely. Because the opportunities for these services continue to expand, more missionary staff is needed. SBC supports MARC and MARC missionaries, Peter and Sara Bastke. Several other MARC staff attend SBC.

**Barry and Whitney Moore** are in their third year of leading a re-planting mission of Arise Ventura alongside friends and Acts 29 Church planters, Steve and Jamie Ross. The Moores joined this ministry in July in 2019, and the church was officially replanted in September of that year. Their ministry focus has been primarily pastoral support and encouragement, leadership development and intentional discipleship.

**The May Sunday School offering is going to Christian Youth in Action (CYIA) scholarships. CYIA is a camp that prepares youth to share the Gospel with children and others.**

## *Welcome!*

We extend a personal greeting to you  
as you worship with us today.

If this is your first time to visit us,  
we have a special gift bag for you  
at the Information Center in the lobby.

We want you to know that there is a place here  
for you in worship and Bible study as well as many  
opportunities for ministry and service.

If you are looking for a place to worship, and  
to find fellowship and encouragement,  
we would count it a privilege to be that place.

*May God minister His grace to you,  
Pastor John*
