May Missionary Highlight

The ministry of **Missionary Aviation Repair Center (MARC)** is to expand the Gospel in Alaska by providing air transportation and logistical support for ministries working in remote communities. Many missionaries and pastors in rural Alaska have their own airplanes. MARC also provides maintenance services to keep these essential aircraft operating safely. The opportunities for these services continue to expand, but thankfully the Lord has provided the missionary staff needed.

SBC supports MARC and MARC missionaries, Peter and Sara Bastke. Several other MARC staff attend SBC.

The May Sunday School offering will go to Christian Youth in Action (CYIA) camp scholarships. CYIA is a yearly camp that trains teens to share the Gospel with other kids. After the training, the teens put on Good News Clubs for kids in the community and in other parts of Alaska.
