### May Mission's Highlights

The ministry of Missionary Aviation  
Repair Center (MARC) is to expand  
the Gospel in Alaska by providing air  
transportation and logistical support for  
ministries working in remote  
communities. Many missionaries and  
pastors in rural Alaska have their own  
airplanes. MARC also provides  
maintenance services to keep these  
essential aircraft operating safely.  
Because the opportunities for these  
services continue to expand, more  
missionary staff is needed. SBC  
supports **MARC** and individual  
missionaries **Cozene Wikstrom** and  
**Peter and Sara Bastke**. Other MARC  
missionaries attending SBC are Kyle  
and Ellen Braband.
