May Mission's Highlights

The ministry of Missionary Aviation Repair Center (MARC) is to expand the Gospel in Alaska by providing air transportation and logistical support for ministries working in remote communities. Many missionaries and pastors in rural Alaska have their own airplanes. MARC also provides maintenance services to keep these essential aircraft operating safely. Because the opportunities for these services continue to expand, more missionary staff is needed. SBC supports MARC and individual missionaries Cozene Wikstrom and Peter and Sara Bastke. Other MARC missionaries attending SBC are Kyle and Ellen Braband.
