May Missionary Highlight

The ministry of **Missionary Aviation
Repair Center (MARC)** is to expand the
Gospel in Alaska by providing air
transportation and logistical support for
ministries working in remote communities.
Many missionaries and pastors in rural
Alaska have their own airplanes.
MARC also provides maintenance services
to keep these essential aircraft operating
safely. Because the opportunities for
these services continue to expand,
more missionary staff is needed.

SBC supports MARC and MARC
missionaries, Peter and Sara Bastke.
Several other MARC staff attend SBC.

*The May Sunday School offering
will go to Christian Youth in Action
(CYIA) camp scholarships. CYIA is
a yearly camp that trains teens to
share the Gospel with other kids.
After the training, the teens put
on Good News Clubs for kids in
the community and in other
parts of Alaska.*
